Shae,

I apologize for not getting back to you soon enough. I am currently unable to talk right now due to current tribal consultation. I will call you sometime this afternoon to touch based about this project.

Hello Mr. Oldman,

Would you and other members of the Northern Arapaho Tribe be able to come to Billings to meet with us? The best weeks for my supervisor,

Darcy O'Connor are the weeks of February 8 and February 29. I am hoping that we can come to Billings one of those weeks to have separate consultation meetings with the Northern Arapaho, the Crow Tribe and the Tribes of Fort Belknap.

Please let me know if your group could come to Billings and if one of those two weeks would work for you. Or please propose a week in February that would work.

Thanks!
